

PAYMENT OPTIONS

Our three payment options make any size system affordable. We only require a 25% deposit to get started.

- **Purchase** - After the initial consultation, you will be provided with a quote including equipment, supplies, and labor for installation.
- **Finance** - The initial quote is divided into 12 monthly payments. Any equipment repairs or replacements would be the customer's responsibility.
- **Lease** - The system can be leased for 24 months and becomes a month-to-month lease thereafter. Randolph Telephone retains ownership of the equipment. Available to RT telephone customers only.

Anyone outside our service area interested in our camera surveillance product line may purchase a system in full.

CAMERA SURVEILLANCE

FREE CONSULTATION

Randolph Telephone's Camera Surveillance solutions are custom designed to capture video footage of the areas you want to oversee. A camera surveillance system will allow you to protect your loved ones and view your property from a TV, computer, or via the internet from anywhere.

Our professional technicians help you determine the camera surveillance equipment needed, and the best possible placement for each camera to maximize its coverage area. The cost of a system with professional installation varies based on equipment.

Typical Camera System includes:

1 DVR (everfocus 500//GB 4-port)	\$ 482.30
1 Outdoor Bullet Camera	\$ 240.79
1 Power Supply	\$ 24.14
1 Battery Backup/Supplies	\$ 195.00
Supplies	\$ 97.50
Labor	\$ 480.00

Total \$1519.73+tax

Lease and finance options also available.

CAMERA OPTIONS

We offer GE TruVision indoor, outdoor, infrared, and color cameras. The varifocal lens will help you see multiple directions from one camera. Some cameras can be mounted to the wall or ceiling, giving you more flexible installation options.

GE TruVision Cameras Features:

- Built for long-lasting service and plug-and-play functionality
- Weather-resistant options built for indoor and outdoor applications

GE TruVision Varifocal Lens Color Cameras available:

Bullet Style 3.5-12mm Lens	\$240.79
Bullet Style 6.0-50mm Lens	\$349.70
Dome 3.5-8mm Lens	\$240.79
Indoor Dome Camera 2.6-6.0mm Lens	\$167.70

We also offer infrared, motion sensitive, pan/tilt zoom, and hidden cameras. Contact us for details.

RECORDINGS

We offer Everfocus DVRs to record camera footage. They offer following features and benefits:

- Live Video Stream Viewing
- MAC and PC Browser Compatible
- Record Continuously or Scheduled Events
- Easy to Use Display

We will also assist you in determining the DVR recorder with the storage capacity to best fit the cameras you select. You can even view a password-protected live feed from your computer whether at home, work, or on vacation from a broadband internet connection.
